

Classification is The Key to Export Compliance

DO YOU KNOW THE CLASSIFICATIONS OF YOUR PRODUCTS?

WHAT ABOUT YOUR TECHNICAL DATA?

In today's globally-networked, information-driven business climate, it is more important than ever to classify not just products, but also technical data.

CLASSIFICATION IS THE FIRST STEP IN COMPLIANCE SO DON'T GET IT WRONG!

A CLASSIFICATION PROCESS MUST INCLUDE:

- | | |
|-----------------------|----------------------|
| Clearly Defined Rules | Governance |
| Business Enablement | Risk Management |
| Workload Management | Documented Decisions |
| Trained Personnel | Audit & Reporting |
